Dear Parents,

I am excited to share some great news about the Before and After School program for the 2017-2018 school year.

1. Our Preschool 3 & 4 year old students will now be eligible to attend the Before *and* After Care sessions if they are registered in the Preschool Program as full day students. Please note: registered ½ day 3 & 4 yr. old preschool students are *eligible* to attend the AM session only.

2. The After Care program will be in session on Early Dismissal ½ days beginning at 11:00 am. Additional staffing will be hired to oversee the program on these days. We ask that students who don't attend the program regularly, please register in advance at the beginning of the school year, so we can plan accordingly. Please note: registered FULL DAY *only* 3 & 4 yr. old preschool students are eligible to attend.

In order to accommodate all families in PreK through 8th grade and to provide additional staffing on Early Dismissal ½ days, the prices for the After Care session and Walk-In Fee have been raised slightly. Please see attached tuition price sheet. Pricing has remained the same for the Before Care session and students attending BOTH the Before & After Care.

Knowing that the children have been in the classroom all day, I believe it's important for them to have FUN and exercise their energy and simply PLAY with others at the end of the school day. Therefore, the afternoon schedule has been revised to include snack and playtime first followed by homework time. See the attached sample schedule.

The program will start on the first full day of school. The **Before** school program begins at 7:00am and runs until 8:00am and the **After** school program begins at 2:30pm and runs until 5:45pm.

Enclosed is the parent agreement and the program guidelines. Please sign and return to school ASAP so we may finalize enrollment details for this school year. A non-refundable registration fee of \$25 per family is required and payable through Smart Tuition for the 2017 – 2018 school year. For families who occasionally utilize the program, a walk-in fee is payable through Smart Tuition.

I am confident that together with your support our program will serve your child(ren) in a safe and fun environment. If you have any further questions, please call the school.

Sincerely,

Ms. Carole Arbolino
Principal
